

Our Mission is to lead people to Christ and nurture believers in their spiritual growth through Christ-centered media.

## The God of Multiplication

Pastor Joshua in Kenya is one reminder that we are truly spreading the message of faith across the globe!

His love for Faith Radio and his desire to share his faith is infectious. Not only has Pastor Joshua been personally encouraged by Faith Radio, he is also sharing our station as a resource with seven pastors he disciples.

## Giving Hope for Christmas

From listener nominations, Faith Radio came alongside nine people to offer hope through encouragement, prayer and a \$200 gift card.

This note is from a single mom who is battling pancreatic cancer:

*Receiving the Visa gift card when I did, and hearing that you would be praying for me lifted my spirits when I needed it so much.*

*I'm grateful for what you do. I pray big blessings for Faith Radio this year!!! ~ Karen*

Listeners were encouraged to see those around them who needed hope and find tangible ways to help. We can't change someone's journey, but we can encourage them through it!

## Reaching Across the Globe

In the last week of 2023 alone, listeners requested Bible in a Year reading plans from eight countries outside the US: South Africa, Canada, United Kingdom, Kenya, Australia, Philippines, New Zealand and Puerto Rico!

## New to Faith Radio

During our last one day fundraiser event 25% of those that gave were giving to Faith Radio for the first time!

***"I am shocked by how God is using Faith Radio in my life...Faith Radio has changed my life and made my eyes more open to God and His Word. I think I finally found a place where I can be myself."***
